Now when I see you walkin' by with a wiggle walk
You know you look mighty good oo-wee
And baby you can talk the kind of talk
That does funny things to me

Now when you tell me that you love me so
It thrills my heart, uh honey don't ya know
That when you're in my arms oo-hoo
It feels mighty good to me

Do I love to love you?
Aww, honey yes indeed
'Cuz anything that you're missin'
Believe me honey you don't need

Well, every time I get to kiss your tender lips
You know they taste mighty good oo-wee
And when you're in my arms my heart just flips
Oo-hoo, what you're doin' to me?

Now the kind of love that you inspire
Fills my heart with a warm desire
And when you set my lips on fire
It feels mighty good to me

Do I love to love you?
Aww, honey yes indeed
'Cuz anything that you're missin'
Believe me honey you don't need

Well, every time I get to kiss your tender lips
You know they taste mighty good oo-wee
And when you're in my arms, my heart just flips
Oo-hoo, what you're doin' to me?

Now the kind of love that you inspire
Fills my heart with a warm desire
And when you set my lips on fire
It feels mighty good to me
Aww, it feels mighty good to me
You know it feels mighty good to me
