It's not the pale moon  
That delights me, that thrills and excites me  
Oh no, it's just the nearness of you

And it's not your sweet conversation  
That brings on this sensation  
Oh no, it's just the nearness of you

When you're in my arms  
And I feel you so close to me  
All my wildest dreams come true

With you I need no soft lights  
To enchant me  
If you would only grant me  
The right to hold you ever so tight  
And to feel in the night, my love  
The nearness of you
