(Merle Travis - Cliffie Stone)

All along the road of life I roam  
Lookin' for a place to call my own  
Not a fancy mansion or a bungalow for me  
Everywhere I go I see defined  
Hangin' out the door that same ole sign  
My heart beats slower when I read on the door, no  
vacancy.

No vacancy, no vacancy  
All along the line the same ole sign await for me  
No vacancy, no vacancy  
My heart beats slower when I read on the door, no  
vacancy.

--- Instrumental ---

Not so very long ago it seemed  
Many a happy dream I dreamed  
Of a little nest where I could rest and the world was  
free  
Not a mighty war is over and won  
Trouble and trials just begun  
I face the terrible enemy, no vacancy.

No vacancy, no vacancy  
All along the line the same ole sign await for me  
No vacancy, no vacancy  
My heart beats slower when I read on the door, no  
vacancy.

--- Instrumental ---

Brother if you live a life at ease  
You'd better take a moment on your knees  
Thank the Lord above for all he's done for you  
Livin' in a world of grief and hate  
Hopin' every day that a hand of fate  
Will remove that sign on the door, no vacancy.

No vacancy, no vacancy  
All along the line the same ole sign await for me  
No vacancy, no vacancy  
My heart beats slower when I read on the door, no  
vacancy...
