I didn't know how much I loved you baby  
Til you left me girl and I heard this song  
I thought that i could forget you  
Lord knows how I meant to  
Somehow this old fool figured it wrong.

No words of love were spoken  
No tears of sadness were shed  
There were no unseen tomorrow's  
No commitments or sorrows  
Just a kiss goodbye and good luck old friend.

You stood by my side when I was lonesome  
You made me warm when I was feelin' old  
I'll miss the light of your smile  
Your the music that I will  
Play in my heart my whole life long.

No words of love were spoken  
No tears of sadness were shed  
There were no unseen tomorrow's  
No commitments or sorrows  
Just a kiss goodbye and good luck old friend.

No words of love were spoken  
No tears of sadness were shed  
There were no unseen tomorrow's  
No commitments or sorrows  
Just a kiss goodbye and good luck old friend...
