She's got everything she needs  
She's an artist, she don't look back  
She's got everything she needs  
She's an artist, she don't look back  
She takes the dark out of the night time  
And paints the daytime black

You'll start out standing  
Vow to steal her anything she sees  
You'll start out standing  
Vow to steal her anything she sees  
But you'll wind up peeking  
Through a keyhole down on your knees

She never stumbles, got no place to fall  
She never stumbles, she's got no place to fall  
She's nobody's child, the law can't touch her at all

Bow down to meet her  
Bow down to meet her  
Bow down to meet her  
Bow down to meet her

[CHORUS]

Bow down to her on sunday  
Salute her when her birthday comes  
Bow down to her on sunday  
Salute her when her birthday comes  
For halloween buy her a trumpet  
For Christmas give her a drum

Bow down to meet her  
Bow down to meet her  
Bow down to meet her  
Bow down to meet her
