Well, I got a gal  
Her name is Shirley Lee  
Yeah, I got a little woman  
Her name is Shirley Lee  
Well, Shirley Lee  
You're the one for me.

Well, Shirley Lee  
You know Shirley Lee, yeah  
Shirley.Lee, well Shirley Lee, yeah  
Shirley Lee, you're the one for me, yeah.

--- Instrumental ---

Well, come to me baby  
Come to me baby now  
Yeah, come to me baby  
Come to me baby, now  
Well, come to me baby  
I'll love you somehow.

Well Shirley Lee  
You know Shirley Lee, yeah  
Shirley.Lee, well Shirley Lee, yeah  
Shirley Lee, you're the one for me, yeah.

--- Instrumental ---

Well I got a gal  
Her name is Shirley Lee  
Yeah, I got a little woman  
Her name is Shirley Lee  
Well, Shirley Lee  
You're the one for me...
