I don't have plans and schemes  
And I don't have hopes and dreams  
I don't have anything  
Since I don't have you.

And I don't have fond desires  
And I don't have happy hours  
I don't have anything  
Since I don't have you.

I don't have happiness and I guess  
I never will ever again  
When you walked out on me  
In walked old misery  
And he's been here since then.

I don't have love to share  
And I don't have one who cares  
I don't have anything  
Since I don't have you  
Mmm, since I don't have you...
