Verse 1:

I'm not an idiot, though I may get some things wrong.
I'm not stupid, I'm figuring it out as I go along.
Sometimes my mind and heart disagree.
And I don't always know who to follow, so where does
that leave me?

Chorus:

I'm stuck in the middle
Of this small space with just enough room for mistake.
I never said I knew what I was doing.
I'm stuck in the middle
Of wrong and right with no one to be my guiding light.
I never said I knew what I was doing.

Verse 2:

Crucifixion. Is that the way to go?
Is that the road I should be on?
Or is it forgiveness?
I'm damned if I do damned if I don't.
My mind says let go, my heart says hold on.
What the hell do you do when both feel right but both
feel wrong?

Chorus:

I'm stuck in the middle

Of this small space with just enough room for mistake.
I never said I knew what I was doing.
I'm stuck in the middle
Of wrong and right with no one to be my guiding light.
I never said I knew what I was doing.

Ooo, Ooo, Ooo, Ooo, Ooo...

Bridge:

Everybody knows what I should have done,
Everyone's got all the answers,
But the one I need to be alright with,
Who I see in the mirror.

(Woahhhh) Ooo, Ooo, Ooo (Woahhhh) Ooo, Ooo, Ooo

(Woahhhh)

Hey!

Chorus: (x2)

I'm stuck in the middle

Of this small space with just enough room for mistake.

I never said I knew what I was doing.

I'm stuck in the middle

Of wrong and right with no one to be my guiding light.

I never said I knew what I was doing.
