Some people call me a teenage idol  
Some people say they envy me  
I guess they got no way of knowing  
How lonesome I can be

I need somebody to be my baby  
Someone to tell my troubles to  
I've got no time to ever find her  
'Cause I'm just passing through

I travel around from town to lonely town  
I guess I'll always be just a rolling stone

If I find fortune and fame  
And lots of people know my name  
That won't mean a thing if I'm all alone

I get no rest when I'm feelin' weary  
I gotta pack my bags and go  
I gotta be somewhere tomorrow  
To smile and do my show

I travel around from town to lonely town  
I guess I'll always be just a rolling stone

If I find fortune and fame  
And lots of people know my name  
That won't mean a thing if I'm all alone

Some people call me a teenage idol  
Some people say they envy me  
I guess they got no way of knowing  
How lonesome I can be  
How lonesome I can be
