I know you think I'm crazy, cryin' out lazy
Winning days are through
Am I mistaken? Have you been taking
More than you can use?

By the way
The loser babe is you

I hear you think I'm used, overworked and abused
If what you say is true
Why'd you do me? I thought you knew me
I've never been your fool

By the way
The loser babe is you

It's a losers game, playing to win
It's all over before you begin
It's another day, clear it away
It's just a lonely rendezvous with an old friend

By the way
The loser babe is you

It's a losers game, playing to win
It's all over before you begin
It's another day when you clear it away
It's just a lonely rendezvous with an old friend

I never meant any harm, I don't want to alarm you
You broke the only rule
Am I mistaken? Have you been taking
More than you can use?

By the way
The loser babe is you
By the way
The loser babe is you

By the way
The loser babe is you
