(Ray Noble)

The very thought of you, and I forget to do
The little ordinary things that everyone ought to do
I'm living in a kind of daydream I'm happy as a king
And foolish though it may seem to me it's everything.

The mere idea of you the longing here for you
You'll never know how slow the moments go till I'm near
to you
I see your face on every flower your eyes in stars above
It's just the thought of you the very thought of you my
love music.

The mere idea of you the longing here for you
You'll never know how slow the moments go till I'm near
to you
I see your face on every flower your eyes in strars
above
It's just the thought of you, the very thought of you my
love.

It's just the thought of you the very thought of you my
love...
