Today's teardrops are tomorrow's rainbows and  
Tomorrow's rainbows I will share share with you  
So dry your eyes little girl dry your eyes  
And we're gonna see skies are blue

Had a tough time gettin' started  
Maybe just a little down hearted  
All you got to do is count to ten  
Maybe you'd be smiling when

Today's teardrops are tomorrow's rainbows and  
Tomorrow's rainbows I will share share with you  
So dry your eyes little girl dry your eyes  
And we're gonna see skies are blue

Gonna be just love and gladness  
Don't wanna hear nothing bout sadness  
Come a little closer come to me  
With each kiss you're gonna see

Today's teardrops are tomorrow's rainbows and  
Tomorrow's rainbows I will share share with you  
So dry your eyes little girl dry your eyes  
And we're gonna see skies are blue

Gonna be just love and gladness  
Don't wanna hear nothing bout sadness  
Come a little closer come to me  
With each kiss you're gonna see

Today's teardrops are tomorrow's rainbows and  
Tomorrow's rainbows I will share share with you  
So dry your eyes little girl dry your eyes  
And we're gonna see skies are blue

So dry your eyes little girl dry your eyes  
And we're gonna see skies are blue
