(D. Burns, R. Wildflower)

Here I am in L.A. and L.A.'s been bringin' me down
I only have but one reason mama, for stayin' here in
this old town

The air I'm breathin' is heavy, and you've been out
sneakin' around

It may be rainin' in Tulsa child, but if you need me
that's where I'll be found.

I'm dreamin' of wild nights in Tulsa
Old nights out on the town
Dramin' of wild nights in Tulsa
Tulsa won't let me down.

I dreamed I left old L.A., left it for the highway sound
I can't wait to get back home, Tulsa used to be my town
I slid into Junior's place to fix myself a couple of brews
I settled back in a big soft chair and put my lovin' arms
around you.

I'm dreamin' of wild nights in Tulsa
Old nights out on the town
Dramin' of wild nights in Tulsa
Tulsa won't let me down.

I woke up from a deep sleep, thinkin' about how long
I've been gone
It's sure nice to think about you, Tulsa is the place I was
born
I remember the good times, and now I'm gonna make it
last
Yes I'm finally gonna get back home, do some catchin'
up with the past.

I'm dreamin' of wild nights in Tulsa
Old nights out on the town
Dramin' of wild nights in Tulsa
Tulsa won't let me down.

I'm dreamin' of wild nights in Tulsa

Old nights out on the town
Dramin' of wild nights in Tulsa
Tulsa won't let me down...
