Yes sir, that's my baby  
No sir, I don't mean maybe  
Yes sir, that's my baby now

Yes sir, that's my baby  
No sir, I don't mean maybe  
Yes sir, that's my baby now

By the way, by the way  
When we reach that preacher I'll say

Yes sir, that's my baby  
No sir, I don't mean maybe  
Yes sir, that's my baby now, alright

By the way, by the way  
When we reach that preacher I'll say

Yes sir, that's my baby  
No sir, I don't mean maybe  
Yes sir, that's my baby now  
Yes sir, that's my baby now  
Yes sir, and that's my baby now, yeah
