When the whole world puts you down  
And makes you feel like a clown  
That's not it, you just can't quit

Don't feel sorry for things  
Can't you see, it's not me?  
And I just can't quit

I can hear the things they're saying  
You don't know the price I'm paying, now  
They all laugh and point at me  
But I'm gonna laugh the last, you see

Funny how your friends disappear  
When troubles they find  
But I don't mind, I just can't quit  
No, you just can't quit
