Have you ever wanted to steal a kiss?
Have you ever wanted to try?
But you let her get you scared to death
Got you so mad you could cry
Well, I'm sorry for you
But I really don't know why

'Cause you'll never know what you're missin' 'til you try
'Til you try

Have you ever wanted to hold her tight?
But you couldn't get up the nerve
So you waited until she had to go
Got just what you deserved
Did she smile at you?
And you never did know why

Well, you'll never know what you're missin' 'til you try
'Til you try

You'll never know what you're missin' 'til you try
'Til you try
You'll never know what you're missin', that's no lie
That's no lie

So you better listen to what I say
If you want kissin' tonight
Go ahead and hold her close to you
Kiss her with all your might
You better give her the word
Before she leaves you high and dry

'Cause you'll never know what you're missin' 'til you try
'Til you try

Well, you'll never know what you're missin' 'til you try
'Til you try
You'll never know what you're missin', that's no lie
That's no lie

So you better listen to what I say
If you want kissin' tonight

Go ahead and hold her close to you
Kiss her with all your might
You better give her the word
Before she leaves you high and dry

Because you'll never know what you're missin' 'til you
try
'Til you try
'Cause you'll never know what you're missin' 'til you try
'Til you try
