1st Verse

Here I am
On this beach
Sure it's nice down here in the Keys
With this Rum in my hand
And my toes slowly sinking in the sand
You might think I've got all
If you think that you don't know me at all

Chorus

Wish I was back in Austin
Underneath those Texas Stars
You know back in Austin
Everyone know who they are

2nd Verse

Well I Trade
This Mercedes Benz
For my old truck
And a night out with my friends
Texas women
6-point beer
The Dallas Cowboys never play down here
And oh how these nights can be so long
I close my eyes and I'm right back home

Bridge

From Texas or Tennessee
There's whole lot of people out there just like me
Repeat Chorus
