When I was just a child, I didn't know much about ya,  
I was just a child, I didn't know much about ya, ooh...

I had a father who came from nothing  
He took that and he made it something  
He'd seen it all by his 21st, right  
His mum and dad both left this earth, why  
It was the drinking that killed his mother  
He's watching the same thing kill his brother  
And he doesn't say it much but he really loves us  
And he doesn't want the same thing to kill his sons  
When he sees me with a drink in my hand  
I understand now why he thinks that it's bad  
Cause he knows that it's so evil  
But he knows we're our own people, so he let's us go

When I was just a child, I didn't know much about ya,  
ooh... ooh...  
I was just a child, I didn't know much about ya, ooh...  
ooh...  
Now I know, now I know, now I know oh oh ohh...  
Now I know, now I know, now I know oh oh ohh...  
I was just a child, I didn't know much about ya, ooh...  
ooh...

See, I don't know if God's real  
But if he is I can image how God feels  
And there's things I'd discuss with him  
I bet he wouldn't change much  
But there's shit he would have done different  
When my grandpa passed away  
I remember saying bye on his last few days  
And I'm hoping there's a heaven  
I want to meet again  
And I never met anybody as positive as him  
Not many were as sick as him

But he didn't let the illness kill his grin  
And that's why I went ahead and inked my skin  
Cause I remember the smile when I think of him

When I was just a child, I didn't know much about ya,  
ooh... ooh...  
I was just a child, I didn't know much about ya, ooh...  
ooh...  
Now I know, now I know, now I know oh oh ohh...  
Now I know, now I know, now I know oh oh ohh...  
I was just a child, I didn't know much about ya, ooh...  
ooh...

I didn't know that my brother got bullied in school  
If I could go back now, I wouldn't be fooled  
He probably thought mum and dad don't fucking care  
But it wasn't even that, they were so unaware  
Living in a family where money is favored  
Makes us wanna say, I fuckin' hate it  
Brother though we gotta feel blessed as fuck  
Just remember they only want the best for us  
We got a mum that's an angel, I'm thankful  
To even have her in my life, I'm grateful  
Family is anybody that close to you  
See this song right here, it is overdue  
For you...

When I was just a child, I didn't know much about ya,  
ooh... ooh...  
I was just a child, I didn't know much about ya, ooh...  
ooh...  
Now I know, now I know, now I know oh oh ohh...  
Now I know, now I know, now I know oh oh ohh...  
I was just a child, I didn't know much about ya, ooh...  
ooh...
