1941 He was just 25
Sent off to war
Just to risk his life
Somewhere in foran land
So far away from home
This Oklahoma Boy forced to be a man

He left her on that farm
She was just 17
And as the cab pulled away
So did her dreams
With a baby on side
As the miles slowly fade
She looked up at the sky and she began to pray

God do your best to keep him from harm
Just let him know that his family's safe and warm
Try to show him everything will be just fine
Only in time
