1st Verse

Laying here to night
Waiting for you to call
The minutes they keep flying by
Precious time lost
I'll just keep waiting
Until I fall asleep
I will find myself dreaming
How I wish my life could be

Chorus

I'll go on wasting time
I'll burn through these memories
Cluttering my mind
I'll keep on pushing all of this deep down inside
What has become left of my life
I'll go on wasting time

2nd Verse

The minutes turn into hours
Then the hour into days
My life is like a never-ending ocean
With never ending waves
An oh how I really like to
See your face again
But that's just a dream I'll
Dream time and time again

Repeat Chorus
