The smell is stronger than  
the cigarettes you smoked yesterday.  
All the king's men and all the king's horses  
couldn't help you find your way.

Why are you chasing a lie  
when you know you should be chasing faith?  
You spend all your time checking  
if you have any messages on myspace.

If you paint a turtle red it won't go faster.  
It's best to leave it be and keep it green.

Forget the books you've read and all of the movies that you've seen.

Your mind has no control, it's not a machine.

It's not a machine.

It's not a machine.

It's not a machine.

I bought you a couple of paintings  
in the gallery down by the park.

One was full of colors  
but the other was pretty dark.

All of the junk you're eating  
will slowly fill your fragile heart.

So go from the start and rewind to the part  
when you first knew what you had to say.

And if you paint a turtle red it won't go faster.

It's best to leave it be and keep it green.

Forget the books you've read and all of the movies that you've seen.

Your mind has no control, it's not a machine.

It's not a machine.

It's not a machine.

It's not a machine.

If you climb upon that great big wall

when you know they're tearing you down,  
what do you expect?

If you climb upon that great big wall  
when you know they're tearing you down,  
what do you expect?

If you climb upon that great big wall  
when you know they're tearing you down,  
what do you expect?

If you climb upon that great big wall  
when you know they're tearing you down,  
what do you expect?

What happens next?
