I was alone, you were a lady
You were looking for love
I was willing to fall, but
Something you said sent my heart a reelin'
Can't believe how in love we're feelin'
And
No-one could ever take the place of you
(no-one ever)
Not even an angel, and
No-one could ever love you like I do
(never ever)
I swear that it's true
No-one could ever come between us two
(no, not ever)
'Cause it's forever me and you
Who would have thought
Two people so different
Could be falling in love so easily, but
Something I said sent your heart a reelin'
Can't believe how in love we're feelin'
And
No-one could ever take the place of you
(no-one ever)
Not even an angel, and
No-one could ever love you like I do
(never ever)
I swear that it's true
No-one could ever come between us two
(no, not ever)
'Cause it's forever me and you
When you find a real love
Seems like it's too good to be true
Follow your heart
And love will see us through, and
No-one could ever take the place of you
(no-one ever)
Not even an angel, and
No-one could ever love you like I do
(never ever)
I swear that it's true
No-one could ever come between us two
(no, not ever)

'Cause it's forever me and you
Forever baby, just me and you
(forever)
Forever baby, just me and you
(forever)
Oh yeah, oh yeah (forever)
Oh yeah, oh yeah
Just me and you
