The first time I saw her
She was looking just like an angel in the night
I tried hard not to cause no suspicion, but
She saw the look in my eye, but I
Don't wanna hurt her
And I don't wanna see her cry, but I
Want to love her like a woman, but she's so

Fragile, so
Fragile, so
Fragile, fragile

Sophisticated, just like a lady
Sweet and innocent like a child
I wanna take her in my arms and hold her
And I just can't resist her smile, but
I wouldn't wanna hurt her, and I
Don't wanna see her cry, but I
Want to love her like a woman but she's so

Fragile, so
Fragile, so
Fragile, fragile

Everywhere I go, she's inside my head
So now tell me what I am gonna do
'Cause she's so

Fragile, so
Fragile, so
Fragile, fragile
