Jessie's not coming home tonight  
I blew my cool, now she's taking a long, long drive  
Where she's going, she doesn't know  
All she knows is her heart's got her out of control  
Can't get me out of her mind, she said  
I've been messing with her head

Oh, Jessie, can't you see  
I don't want you out of my head  
Or out of my heart  
Love's today, not tomorrow  
Love me today, not tomorrow  
Come back home

Sweet Jessie, pick up the phone  
Don't want you out there driving, crying alone  
I acted tough like I didn't care  
Now you're gone, I'm the one running scared  
The things I said didn't come out right  
I didn't mean to cause another fight  
Forgive me

Oh Jessie, can't you see  
I don't want you out of my head  
Or out of my heart  
Love's today, not tomorrow  
Love me today, not tomorrow  
Come back home

Jessie's not coming home tonight  
I blew my cool, now she's taking a long, long drive  
Love's today, not tomorrow  
Love me today, not tomorrow  
Come back home
