What's got into me
I never used to feel this way
Never needed someone to belong to
Someone to belong to me
Now I sit here in the darkness
And I don't know where you are
Tell me how I'm going to face it
Has it got to be so hard
And there is no way in sight
I can get through this night
Tell me what do I do, tell me what do I do
Not a day goes by
When darling I don't think of you
Not a day goes by
When I don't wonder why
I don't hear from you
So is this goodbye
What did I do to you baby
To make you feel this way
What did you leave me to hold on to
Like I used to hold you
Now I sit and watch the sun rise
Still I don't know where you are
I am ever gonna find you
Did I let it go too far
And I don't see no way
I can get through this day
Tell me what did I do, tell me what did I do
Not a day goes by
When darling I don't think of you
Not a day goes by
When I don't wonder why
I don't hear from you
Not a day goes by
Each step I take
Feels like I'm loosing ground
Wow I'm lost without you baby
Don't take me down
Come back around
Don't make me walk through this world alone
Not a day goes by
When darling I don't think of you

Not a day goes by
When I don't wonder why
I don't hear from you
