I've been beaten down and broken  
Twisting in the wind  
Lost and forgotten, left for dead  
Where there used to be a fire  
Burning in my chest  
Just a pile of cold grey ashes instead

But it's gonna be alright  
Yeah, it's gonna be okay  
I know I'll come back to life  
Come that Resurrection Day

In the land of the living is where I wanna be  
Oh, but I can't make it back alone  
Someone on the other side has got to hear my cry  
Come and roll away that stone

Then it's gonna be alright  
Yeah, it's gonna be okay  
I know I'll come back to life  
Come that Resurrection Day

On my knees I pray  
Come Resurrection Day
