I look at this mountain  
So many heartaches wide  
I can't help but wonder  
Where's the other side?  
I've got to be honest  
I've got my doubts  
And your tears are asking me  
What's this got to do with love?  
Darling please, tell me something  
To help me through this long dark night  
When this trouble passes over  
You and I will walk away  
Knowing that our love  
Survives another test of faith  
You and I can walk on water  
The river rises, we rise above  
It may not look that way right now  
Trust me baby, this is love  
Love isn't easy, I'm torn, I confess  
When a heart isn't certain  
It's bound to second guess  
This love won't forsake us  
So dry your tears, I promise you  
When this trouble passes over  
You and I will walk away  
Knowing that our love  
Survives another test of faith  
You and I can walk on water  
The river rises, we rise above  
It may not look that way right now  
Trust me baby, this is love  
Here forever, there's nothing I want more  
Our day is coming  
And we'll reach that peaceful shore  
One more mountain ain't so wide  
Trust me baby this is love
