(duet with Margaret Ulrich)

Where is the love
Where is the love
Where is the love
Where is the love
Where is the love
Where is the love
Where is the love

Where is the love
You said you'd give to me
Soon as you were free
Will it ever be
Where is the love

You told me that you didn't love him
And you were gonna say goodbye
But if you really didn't mean it
Why did you have to lie

Where is the love
You said was mine, all mine
'Till the end of time
Was it just a lie
Where is the love

If you would have a sudden change of heart
I wish that you would tell me so
Don't leave me hanging on to promises
You gotta let me know

Oh, how I wish I'd never met you
I guess it must have been my fate
To fall in love with someone else's love
All I can do is wait
That's all I can do, yeah

Where is the love
Where is the love

Where is the love
Where is the love
(repeat to fade)
