a young

a young person

lays on the floor

hit by the incident

hug me

hug me like then

before

once again

written on the wall

written on the wallwritten on the wall

of a cocoon

chaos

fucking chaos

tattooed

into my picture book

name me

present a face

then hug me

like then

once again

written on the wall

written on the wall

once winged I want to be

written on the wall

of a cocoon
