who is other than you a medicine to me heart

from your love i taste it passion

leaving what we talked

words gone carzy when we are togther

baby come to me spoiled my eyes

my eyes are satying up with me missing to see you with it

after you i have no one baby i love you so much

iam dreaming to see you with me

saty togther me and you

baby come to me spoiled my eyes

my eyes are satying up with me missing to see you with it

baby my eyes missing

my eyes are satying up with me missing to see you with it
