Another day passes like a ghost  
And you're wishing you were any place but here  
From your prison cell of flesh and bone  
You send a prayer on it's suicide last flight  
Into the air, into the rain  
And it sends you nothing back again

Hey Maria it's a Big Beautiful Friday Night  
Hey Maria, hey na na, hey na na na yeah

Day to day and coast to coast  
Everything seems anything but clear  
Inside your skin of steel and stone  
Your need for somebody wakes you late night  
But there's something there you can't explain  
As you come in bed alone again

Hey Maria, it's a Big Beautiful Friday Night  
Hey Maria - hey na na, hey na na na yeah  
Hey Maria, why don't we drink 'til we just don't care  
tonight  
Hey Maria - hey na na, hey na na na yeah

Life is a perfect song with a fractured beat  
Yeah it's a one way sign on a dead end street

Hey Maria, you sure look beautiful tonight

Hey Maria, it's a Big Beautiful Friday Night  
Hey Maria, hey na na, hey na na na yeah  
Hey Maria don't let it be so complicated tonight  
Hey Maria, hey na na, hey na na na yeah
