It's a Brand New Feeling
That I never ever had before
And I'm always amazed at the range of my emotions

Cause it's a Brand New Feeling
Getting better every minute of the day
And it fits me like a glove
And it rocks me like a boat
On the ocean

Ah who'd a believed it
Oh I must be getting lazy
Spending so much time
With just one girl
Lord this is crazy
But I'm not running anywhere anyhow
I'm staying right here
It'll do for now

Cause it's a Brand New Feeling
That I never ever had before
And I'm always amazed at the range of my emotions

Cause it's a good, good feeling
Getting better every minute of the day
And it fits me like a glove
And it rocks me like a boat
On the ocean

Brand New Feeling
Brand new, Brand New Feeling

Cause you look up and smile
This never happen before
God this is really strange
Let me have some more

Mmmm coconut butter
Pull the curtains tight
Feeling better already
I'm staying in tonight

Cause it's a Brand New Feeling
That I never ever had before
And I'm always amazed at the range of my emotions

Cause it's a good, good feeling
Getting better every minute of the day
And it fits me like a glove
And it rocks me like a boat
On the ocean

Brand New Feeling
Brand new, Brand New Feeling

I said it fits me like a glove
And it rocks me like a boat
On the ocean

It's a brand new
It's a brand new
It's a Brand New Feeling
