(Jimmy Hart)

(Spoken) Ring, Ring. "Hello, hello, hi, is Cyndi in?"

"No, who is this?"

"What do you mean, who is this? This is Jimmy Hart, the mouth of the south. Where is she?"

"She's gone to the Rick Springfield concert!"

"Rick Springfield!?!"

I called my chick  
On the phone last night  
Her mother said  
She was gone for the night  
She had two tickets  
To a rock n' roll show  
To see her Working Class hero

So I jumped in my car  
And I cruised downtown  
I could hear the music playing  
From a mile around  
So I got me a ticket  
And I walked inside  
I could see him standing  
there in the spotlight

(chorus)  
Eat Your Hart Out, Rick Springfield  
'Cause she's my girl  
And she will always be  
The only girl for me  
Ain't no rock 'n roll singer  
Gonna take her away from me!

I called my chick the very next day  
She was watching TV, Dr. Noah Drake  
She said, "He' so handsome and he's so cool."  
She made me so sick I wanted to puke!

So I got me a guitar  
And some red tennis shoes  
And I'm learning how to sing  
And I'm learning how to move

I'm writing this song down  
Just for you  
Then all the girls  
Will think I'm so cool!

(Repeat chorus)

Eat Your Heart Out, Rick Springfield  
'Cause she's my girl  
And she will always be  
The only girl for me  
Ain't no rock 'n roll singer  
Gonna take her away from me!

(spoken)

"Jessie's Girl!?! You wanna steal Jessie's  
Girl? now you want my girl!"  
"Hey baby, you're cruisin' for a bruise", Rick!"  
"When I get my hands on you" whoa!"  
"Jessie's Girl, my girl, Everybody's Girl!"
