:::(yeah, yeah, yeah, yeah)
(yeah, yeah, yeah, yeah)

Shouting from the back row
Like monkeys at a zoo
Intricate abuses
Hey Pinky we'll get you

Everybody guessing
It's hard to work them out
Everything that was dead and gone
When we're dead we'll be looking on, yes we will

We had this little something
To fix you when you're flat
Pink magic was its theme
And it would fix you just like that

Everybody tried it
It worked out pretty well
When you think that you're feeling down
Sing a song it will bring you round, yes it will

Easy, easy does it
Can't you learn to live in peace

(yeah, yeah, yeah, yeah)

Take it, take it slowly
There's no real need to race

(yeah, yeah, yeah, yeah)

Gently, gently darling
You don't have to keep the pace

(yeah, yeah, yeah, yeah)

Easy, easy does it
Can't you learn to live in peace

(yeah, yeah, yeah, yeah)

Yeah

(yeah)

(yeah, yeah, yeah, yeah)

(yeah, yeah, yeah, yeah)
