Everybody's talking to computers  
they're all dancing to a drum machine  
I know I'm living on the outside  
scared of getting caught between  
I'm so cool and calculated alone  
in the modern world

But Sally has a hard time holding back  
the alley to her heart is a beaten track  
she's got the love monkey riding on her back

(chorus)

We all need the human touch  
We all need the human touch  
I need it, the human touch  
We all need the human touch  
We all need it, and I need it too

You know, I got my walls  
Sally calls them prison cells  
Sometimes I need protection  
I've got the chains  
I got the warning bells  
I sit so snug and isolated

alone in the modern world

But Sally has a hard time holding back  
the alley to her heart is a beaten track  
she's never out of love  
yeah she's got the knack  
You've got love, I want it  
come on girl

(chorus)

Human Touch  
Human Touch  
Human Touch  
Human Touch

I'm so scared and isolated

in the modern world

We all need  
We all need the human touch  
We all need the human touch  
We all need the human touch  
I need it, the human touch  
We all need human touch  
I need it, the human touch  
We all need it  
and I need it too

Human Touch

(repeat to fade)
