She looked at me with eyes that cut right through me  
and said

"You must be blind

let me tell you a little something about yourself

You're the hurtin' kind"

I must admit after the pain and fight

I've a sneaking suspicion that you might be right

I love you, I love you, I love you

But I Can't Stop Hurting You

I want to, I want to

I Can't Stop Hurting You

I can't, I can't

I Can't Stop Hurting You, it's getting bad

I don't know what to do

I see you packing up all your precious little things

That mean so much to you

I hurt you now you're moving out again

But we know just what you'll do

We'll see the error of our ways in crime

With conciliatory promises we'll change this time

I love you, I love you, I love you

But I Can't Stop Hurting You

I want to, I want to

I Can't Stop Hurting You

I can't, I can't

I Can't Stop Hurting You, it's getting bad

I don't know what to do

I love you, I love you

I Can't Stop Hurting You

I need to, I need to

I Can't Stop Hurting You

I can't, I can't

I Can't Stop Hurting You

It's getting bad, I don't know what to do

And when you go I miss you all night

The wounds heal from the scratch and bite

I don't know what's wrong

I don't know what's right  
But I Can't Stop Hurting You  
I Can't Stop Hurting You

We talk so coolly about the pros and cons  
When I get hot headed I just can't hold on

I love you, I love you, I love you  
I can't stop hurting you  
I need to, I need to  
I can't stop hurting you  
I can't, I can't  
I can't stop hurting you  
It's getting bad, I don't know what to do
