Throw me out into the rain  
Then comfort me with pain  
How can all of ever last  
You're just a big pain  
In the ass  
God and me  
Can we survive?  
This stormy sea  
Two worlds collide  
Well you and I  
Will love  
When love's invisible  
Take the time to say  
I'll miss that someday  
Every time you come unglued  
I wanna strangle you in two  
Learning lessons here I sit  
Each love can turn out  
To be chivalry  
On broken wings  
Yeah you and I  
Will love when love's invisible  
So take the time to say (to say)  
Yeah take the time  
When life is unpredictable,  
Take the time to say  
I'll miss that someday  
One season  
One reason  
Screaming I wont say the words  
Bite my tounge  
Cause nothing lasts forever  
Drag it out and take my hand  
We'll do the best we can  
Well you and I  
Will love when love's invisible  
Take the time to say (to say)  
Yeah take the time  
When life is unpredictable  
Take the time to say  
I'll miss that someday  
I'll miss you that day

I'll miss that someday
