Coming to you from beyond the stars  
Coming direct from Venus and Mars  
The intergalactic show in the stars  
Step right up  
One and all  
To the biggest show of all  
The Intergalactic Circus Of Wonders  
Step right up  
Come on in  
There's a show that's about to begin  
The Intergalactic Circus Of Wonders  
From the deepest parts of space  
Well traversed from place to place  
The most fantastic  
Supergalactic show  
Light the lights and sound the horn  
There's a show that's just been born  
The most spine tingling  
Better than Ringling show  
Tripos up  
Man is out  
Give and cheer and give a shout  
The Intergalactic Circus Of Wonders  
Welcome boys and come on girls  
To the show those crazy worlds  
The intergalactic circus of wonders  
From the deepest parts of space  
Well traversed from place to place  
The most fantastic  
Supergalatic show  
Light the lights and sound the horn  
There's a show that's just been born  
The most spine tingling  
Better than a ringling show.
