Joshua  
Life is looking at you  
Come as you are  
It's a room with a view  
Time to stand up  
It's not an innuendo  
Let the world in  
Open up your window  
Joshua  
I know your spirit is true

Your destiny is calling  
It's no time to be shy  
You can fly  
Do or die  
Let me hear your battle cry  
Stand your ground  
You can make this old earth shake  
Touch the sky  
Testify  
Open up your tiger's eye  
You can turn this thing around  
Make no mistake  
This is your battleground

Joshua  
I was there from day one  
I know what you are  
You're no prodigal son  
Never been one for the false bravado  
Or left me shunned incommunicado  
Joshua  
You're the power of one

I know from where you stand  
it seems impossible to shine  
You can fly  
Do or die  
Let me hear your battle cry  
Dragon fly, your wings can make the oceans quake  
Touch the sky

Dream of fire  
Lookin' through your tiger's eye  
You can turn this thing around  
Make no mistake  
This is your battleground

And you're not standing on your ownâ€¦!

Joshua  
You were born for this chance  
Joshua  
Face the music and dance  
You can fly  
Do or die  
Let me hear your battle cry  
Stand your ground  
You can make this old earth shake  
Testify  
Live or die  
Open up your tiger's eye  
You can this turn this thing around  
Make no mistake  
This is your battleground
