Just one look and I felt so, all, all, all
In love with you, oh, oh
And I found out just how good it feels, feels, feels
To have your love, oh, oh

So you will, will be mine, mine, mine
Forever and always, oh, oh
Just one look and I knew, knew, knew
That you were my only one, oh, oh

I thought I was dreaming
But I was wrong, yeah, yeah
But I'm gonna keep on scheming
'Til I can make you, make you my own

So you see, I really care, care, care
Without you I'm nothing, oh, oh
Just one look and I know, oh, oh
I'll get you someday

That's all it took, yeah
Just one look, that's all it took, yeah
