Counting the headlights passing two by two
Searching the stream of steel and chrome
I'm looking for love, I know you're looking too
So rev up your heart and take me home

A wish and a prayer won't get me there tonight
Longing to hold you

Kristina, take me away
Take me away with you
Kristina, I'm wastin' away
I wanna be with you

Kristina, take me away
Take me away with you
Kristina, I'm wastin' away
I wanna be with you

I know you like to drive it hard and fast
You tear up the speed zone in my heart
Just give me one night to prove our love can last
I can make love a work of art

A wish and a prayer won't get me there tonight
Longing to hold you

Kristina, take me away
Take me away with you
Kristina, I'm wastin' away
I wanna be with you

Kristina, take me away
Take me away with you
Kristina, I'm wastin' away
I wanna be with you

Kristina, take me away
Take me away with you
Kristina, I'm wastin' away
I wanna be with you

Kristina, take me away

Take me away with you
Kristina, I'm wastin' away
