I was lost on a winding road
I thought that life had nothing left to give
Then you came and showed me that just to live
Was the greatest gift of all

And you showed me
Life is a celebration
And Lord, I'm gonna celebrate
Don't you know that life is a celebration
So come on now and celebrate, celebrate
Life is a celebration
Look it's a revelation
So celebrate now, celebrate life, yeah
Celebrate now, celebrate life, yeah

How could I have been so blind?
Just to think that we were living to die
Then you came along and I was no longer alone
And you lead me to the light
And you showed me

Life is a celebration
And Lord, I'm gonna celebrate
Don't you know that life is a celebration
So come on now and celebrate, celebrate
Life is a celebration
Look it's a revelation
So celebrate now, celebrate life, yeah
Celebrate now, celebrate life, yeah

And you showed me life is a celebration
And Lord, I'm gonna celebrate
Don't you know that life is a celebration
So come on now and celebrate, celebrate

Life is a celebration
Look it's a revelation
So celebrate now, celebrate life, yeah
Celebrate now, celebrate life, yeah
Celebrate, celebrate, celebrate, celebrate
Celebrate, celebrate life
