I'm picking up my baby tonight
though her daddy's making trouble
it'll be alright
I'm working hard
I don't know why
I'm like a working class dog
and I just get by

Tonight I'm crawling out from in it
And though we're livin' on the brink
second by second by minute by minute

(chorus)
Love is alright tonight
We're gonna be alright
Love is alright
Love is alright tonight

Everyone's sayin' the sky's gonna fall
don't know where it's gonna stop
if it stops at all
I know the world's goin' crazy alright
I hope it holds together for one more night
Tonight I'm crawling out from in it
And though we're livin' on the brink
second by second by minute by minute

(chorus)

Don't worry Daddy
I'll have her home
at a respectable hour
Go to sleep Daddy
you won't think about tonight
With the night comes a feeling
that I've got this incredible power
Gonna love her Daddy
she'll be feeling it tonight
Alright, it's gonna be alright
It's gonna be alright
it's gonna be alright

Love is alright tonight (baby)
We're gonna be alright
Love is alright
Love is alright tonight
