I send my message out
Across the city tonight
To communicate and to call your number
Tune me in, I'm your satellite
Get ready for my transmission

You're my Love Receiver
You'll be my Love Receiver
And You're my Love Receiver
I've got this big transformer
And I wanna turn it on tonight

Well I've got broadcast power, put a line in me
I've got my antenna up and ready
Just dial me in on your frequency
Get ready, for my, transmission

Your my Love Receiver
You'll be my Love Receiver
And you're my Love Receiver
I've got this big transformer
And I wanna turn it on tonight

Don't touch that dial, baby
You're gonna drain it all night, yeah
(The miracle mile)
Baby, hey, hey
Get ready, for my transmission
You're my...
You're my Love Receiver, yeah
You're my Love Receiver, yeah
You're my Love Receiver, yeah
You're my Love Receiver, yeah

You're my Love Receiver
You'll be my Love Receiver
And you're my Love Receiver
I've got this big transformer
And I wanna turn it on tonight

You're my Love Receiver
You'll be my Love Receiver

And you're my Love Receiver
I've got a big transformer and I wanna turn it on
(Got on overloaded socket...)
Broadcast power and I want an overload...tonight
