[Dr. Dre]

Journey with me
into the mind of a maniac
doomed to be a killer
since i came out the nutsac
im in a murderous mindsate
with a heart full of terror
i see the devil in the mirror
BUCK BUCK, Lights out
cause when i get my sawed off
niggaz get hauled off

*Barrel one

touches your motherfuckin flesh

*Barrel two

shoots your fuckin heart out your chest
you see Im quick to let the hammer go click
on my Tec-9 so if you try to reck mine
fool its your bad time
feel the blast of the chocolate bomber
Infra red aimed at your head
like your name was Sarah Conner
decapitatin I aint hesitatin
to put you in the funderal home
with a bullet in your dome
Im hot like lava
you got a problem?
I got a problem solver
and his name is revolver
its like a deadly game of freeze tag
I touch you with a 44 mag
and your frozen inside a boddy bag
nobody iller
than this grave yard filler
cap peeler
cause im a natural born killa

[Ice Cube]

Terror illistrates my era
now i cant hang around my momma
cause i scare her

Im quick to blast motherfucker
(yeah whats up)
it feels like im bustin a nut
when i open you up
cause your body is exposed to the midnight mist
all you weak motherfuckers give my ring a kiss
cause im givin dirt naps
comin with them bomb ass raps
to make your lungs collapse
perhaps, you never sleep
cause evertime you doze
you catch blows to the motherfuckin nose
aint seen the sun, in 66 days
let me count the ways ^in a fucked up maze^
I never ever ever made a ho stay
but Im down with Dre
like AC is down with OJ
so fuck how your livin
Im the unforgivin
psycho drivin
murdera
its authentic
dont panic
i cant stand it
God Damn it
Scizophrenic
so FUCK CHARLIE MANSON
Ill snatch him out of his truck
hit em with a brick
and I'm dancin

[RBX]

Mass Murderer, Natural Born Killla,
And I dont wanna die
I DONT WANNA DIE
I DONT WANNA
I DONT WANNAAAAAAAAAAAAAAAAAAAAAA DIE!

[Ice Cube]

I dont understand the logic in my dreams
but i understand i like the sound of Sireens
terrified screams from the streams
of Strycnine
dumpin on any motherfucker tryin to trick mine
cause motherfuckers wanna violate
now they stiff and cold
and they pupils wont dialate
ITS SO MUCH PAIN
MIGRAINE
headache
I can hear his bones break

he steps in the single door
gets his ass whipped with 20 lashes
like that dude up in Singapore
so Im a pull a fuckin Jeffrey Dahmer
now Im suicidal, just like Nirvana

[Dr. Dre]

Tic Toc

Toc Tic Toc Tic

Dr Dre and Ice Cube on some murderous shit

keepin niggaz in order

makin there live shorter

ready to slaughter

cause to me a life aint worth a quarter

or a dime

mushroom's got my mind

hallicinatin

aint no debatin

im creatin an escape

route to be out without a doubt

Scot Free, so dont even think about tryin to stop me

cause i cant wait

im out the gate

on the for realla

a thrilla

or a natural born killa

[Ice Cube]

GI-GI GI-GI GAGA

THEY CALL ME DADA

6 million ways to murder

choose one

lose one soul

bodies turn cold

natural fright from niggaz goin bump in the night...
