When we talk it's a thriller, baby
It's like walking on a tightrope line
When we spark it's electric, baby
Like the crackle from a neon sign

What you doin', baby, come on over tonight
Yeah, yeah, yeah
We'll have the joint jumpin'
We'll be doin', doin', doin, alright

Red hot and blue love
(Hot and blue love)
Red hot and blue love
(Hot and blue love)

Whatever you're thinking of
You can do it, do it, do it
Red hot and blue love
(Hot and blue love)

Well, I've got it all planned on the other hand
If you like it like that

When we touch, there's a shock, baby
Like the static from a pylon
When we love I'm on a rocket, baby
Running up and down your nylons

What you doin', baby, come on over tonight
Well, well, well
We'll have the joint jumpin'
We'll be doin', doin', doin, alright
That's right, that's right

Red hot and blue love
(Hot and blue love)
Red hot and blue love

(Hot and blue love)
Whatever you're thinking of
You can do it, do it, do it
Well, red hot and blue love

(Hot and blue love)

Well I take it when I want it
And I really want it now

Talk about red hot
I'm talking about red hot

Red hot and blue love
Red hot and blue love
Whatever you're thinking of
You can do it, do it, do it
Well, red hot and blue love

Well, you know that I take it when I want it
And I want it tonight, tonight
