Stand up everybody  
This is where we start  
Listen to the rhythm  
Of the music in your heart  
Get up on your feet  
Fire's burning red  
Listen to the rhythm  
Of the music in your head  
Yea, I'm addicted to the Rhythm Of The Beat

Hey, can't start a revolution  
If you can't hear the revolution's called  
You'll never see a thousand rainbows  
If you can't find the waterfall  
If you want to see the mountains  
And a real sea  
Make a trip to Mars and Mercury  
Take a giant step out of reality  
Come and take a ride with me  
You gonna fly with angels  
You want to sail through time  
theres a dragon guarding a mountain  
You have to climb  
Stand up everybody  
This is where we start  
Listen to the rhythm  
Of the music in your heart  
Get up on your feet  
Fire's burning red  
Listen to the rhythm  
Of the music in your head  
Yea, I'm addicted to the Rhythm Of The Beat  
Stand up everybody  
This is where we start  
Listen to the rhythm  
Of the music in your heart  
Get up on your feet  
Fire's burning red  
Listen to the rhythm  
Of the music in your head  
You're gonna fly  
With angels

You want to sail through time  
watch a dragon guarding a mountain  
We're gonna climb  
Stand up everybody  
This is where we start  
Listen to the rhythm  
Of the music in your heart  
Get up on your feet  
Fire's burning red  
Listen to the rhythm  
Of the music in your head  
Rhythm Of The Beat  
Rhythm Of The Beat  
Mountains gonna fall  
to the Rhythm Of The Beat  
Rhythm Of The Beat  
Rhythm Of The Beat  
Can't stand tall to the  
Rhythm Of The Beat  
Dancing in the street to the  
Rhythm Of The Beat  
Turn back time to the  
Rhythm Of The Beat  
Rhythm Of The Beat  
Turning up the heat  
Let it shine to the  
Rhythm Of The Beat  
Rhythm Of The Beat  
Rhythm Of The Beat  
Rhythm Of The Beat
