Come on, close the book and turn out the light
Put your plans aside tonight
Yeah I know it's not wrong but it sure isn't right
An angel bids a last 'goodnight' to us

Come on Sahara, give us a smile.
You've walked this far with us lets walk one more mile
Hey Saint Sahara, beautiful child.
You left us all wanting, you left us beguiled
Mi Ma Mi Mi Ma Mi Mi Ma Mi Mi Ma Mi

You take your solace where you find it
Dress the wound and tightly bind it
You so want the past but you can't rewind it
And she sleeps with angels tonight
Come on Sahara, give us that smile
You've walked this far with us lets walk one more mile
Hey Saint Sahara, beautiful child.
You played you best hand but the Joker was wild
Mi Ma Mi Mi Ma Mi Mi Ma Mi Mi Ma Mi
Come on Sahara Hey Saint Sahara

Come on Sahara, you fought the good fight.
Baby let go, everything's all right

Come on Sahara Hey Saint Sahara
Hey Saint Sahara Yeah Come on Sahara beautiful child
