Speak to the sky whenever things go wrong
And you'll know you're not talkin' to the air, to the air
And the world will look better from up there

Speak to the sky 'cause things can get ya down
And you'll know when you're talkin' to the Lord, to the
Lord
The world will look better than before

And if I stumble and it seems that I am blind
Or if the road I'm on seems awful hard to find
And though my conversation doesn't always rhyme
I always try to find some time to

Speak to the sky and tell you how I feel
And you know sometimes what I say ain't right, it's all
right
'Cause I speak to the sky every night

And if I stumble and it seems that I am blind
Or if the road I'm on seems awful hard to find
And though my conversation doesn't always rhyme
I always try to find some time to

Speak to the sky and tell you how I feel
And you know sometimes what I say ain't right, it's all
right
'Cause I speak to the sky every night

Speak to the sky whenever things go wrong
And you'll know you're not talkin' to the air, to the air
And the world will look better from up there
And the world will look better from up there
And the world will look better from up there
