Here I come again
Up against the wall
But if I don't give it everything I got baby,
It will come to nothing at all

Give it one more chance
Before I fade to black
I'm fighting for my life yeah I'm scared
But you know that I can never look back

They say I can't refuse
I've got nothing left to lose
But if you're asking me to choose
I'm gonna Stand Up For Love

Baby once I'm in, you know I play to win
I Stand Up For Love
'cause it's all that I can do

I Stand Up For Love

When I cut you down
Bet it hurt so bad
It can break your faith
And your soul like you're living in a world gone bad

When it comes back around
Rip your heart
Break you down
You gotta hold your ground
Babe, you gotta
Stand Up For Love

It's a chance I take
It's never too late
Stand Up For Love
It's the best that I can do
You gotta Stand Up For Love
'cause baby once you're in it, you gotta play to win it
Stand Up For Love
Baby I'll be good to you

I'm thinking of the times when things were better babe
I'm missing them, missing them
Well I never thought they would end

You know I can't refuse
I got nothing left to lose
If you're asking me to choose
I'm gonna Stand Up For Love
It's a chance I'll take
It's never too late
Stand Up For Love

It's the best that I can do
You gotta Stand Up For Love
'cause baby once you're in
You've gotta play to win
Stand Up For Love
Baby I'll be good to you
